DANIELA SOZZI

FINTECH STRATEGY ADVISOR
DNYC FOUNDER

BIO

20 years of direct experience navigating the most critical junctures in the financial services industry.

Through DNYC Ltd, Daniela serves as a **Fintech Value Creator** and provides deep-domain advisory grounded in "insider knowledge", having been inside the pivotal decisions of restructuring, licensing, and equity events that define the fintech lifecycle.

She advises boards and private equity funds (including Investcorp, CVC, and Bain Capital) on how to translate vision into actionable, board-ready strategy.

Her track record includes delivering a €15m post-merger synergy plan for Nexi Group and achieving multi-million pound operational efficiencies for FTSE 250 groups.
Recognized for two consecutive years on the Innovate Finance **Women in FinTech Powerlist.**
